

JOB INFORMATION SHEET

The Department of Ecology will be hiring **EYC Road Crews** for summer. Crew members only work one session from **June 28 – July 22 OR July 26 – August 18, 2004**. Applicants must:

- Be 14 - 17 years old on the first day of employment and provide proof of age
- Be eligible to work in the United States
- Have a Social Security card
- Submit **TWO** completed EYC Teacher Reference forms **WITH** your application. (Applications without the required teacher references will be rejected.)

The pay is \$7.25 per hour. Crews work 40 hours per week, Monday through Friday, 7:30 a.m. to 3:30 p.m. There are two paid 15-minute breaks per 8-hour work day, and a paid 30-minute lunch period. Crew members are insured by Labor and Industries for work related injuries. The job has no medical benefits, paid holidays, sick leave, or vacation time.

Crew members are responsible for their daily transportation to and from the crew meeting point. The supervisor will transport the crew to and from the work locations and will remain with the crew.

Crew members are trained in proper safety procedures. Ecology provides all crew safety equipment and safety attire **EXCEPT** footwear. Crew members are responsible for providing and wearing a pair of sturdy, hard-soled, over-the-ankle leather-type work boots. Having rain gear is also a crew member responsibility. Gloves, hard hat, safety vest, protective eyewear, and EYC Program T-shirts will be issued and must be worn at work.

In addition to picking up litter, crews collect and recycle containers made of aluminum, glass, and plastic, plus scrap metal, etc. They also learn how to help the environment become healthier and safer.

Summer Crew Job Description

- 75% Litter pickup along freeways and roads, plus boat launches, parks, school grounds, and other public property
- 15% Orientation, training, and environmental education
- 5% Recycling recovered materials
- 5% Maintenance of vehicle and equipment

NOTE: Cards are sent to all applicants, confirming receipt and identifying the status of your application

ECOLOGY IS UNABLE TO INTERVIEW ALL APPLICANTS
DUE TO THE LARGE NUMBER OF APPLICATIONS RECEIVED

Applications are randomly drawn for interviews in May. If you do not receive an interview appointment, regretfully, it means your application was not selected this time. We invite you to reapply next year.
